

# SAFE and SECURE

## FALL PREVENTION AND SECURITY SERVICE

Independent Home Solutions is a local not for profit social enterprise working in partnership with Reigate & Banstead Council. Our Safe and Secure Technician is a trained Trusted Assessor and can safely fit rails and adaptations so you feel confident using them and feel less at risk of falling. We can also fit key safes, locks and extra security measures.

The service is aimed at those resident in Reigate & Banstead areas who are over 60 or have a disability, or are potentially vulnerable to rogue traders and random crime. Our staff are CRB checked and always carry identification when they call.

## WHAT SORT OF WORK CAN BE CARRIED OUT?

- Extra banister rails
- Grab and hand rails
- Small ramps
- Key safes
- Fixing loose carpet
- Rerouting trailing wires
- Fit chair and bed raisers
- General security measures such as door chains and extra locks
- Mending gates and fences
- Security lighting
- Designing colour contrast and improved lighting
- Supply and fit smoke alarms and detectors

## IS THERE ANY SMALL JOB WE CAN'T HANDLE?

We can't work at heights, so no roofing work and we prefer jobs to take no more than half a day, however if you have a special reason for a bigger job to be carried out we would give it consideration. If you are not sure if we can help, just call us and ask. We would be happy to discuss your requirements with you or point you in the right direction.

## HOW MUCH DO WE CHARGE FOR THE SERVICE?

Normally £20 per hour plus the cost of materials purchased on your behalf. We do our best to keep prices low and will endeavour to let you know the cost prior to going ahead with the job. If you are genuinely unable to pay for the work we may be able to find help depending on your circumstances.
