

# SAFE POWER

## DO YOU NEED ELECTRICAL WORK CARRIED OUT?

Independent Home Solutions is a not for profit local social enterprise company working with Mole Valley, Reigate & Banstead and Surrey County Council.

It can be very costly to call an electrician out for minor electrical jobs such as extra sockets or perhaps for improved lighting. Our service can assist you with small electrical tasks in your home.

We could also help you to set up new equipment such as DVD players or computers and demonstrate how to operate them.

## WHO IS THIS SERVICE FOR?

Anybody who has a disability is elderly or may be more vulnerable to rogue traders. Our technician is CRB checked and carries identification.

## WHAT SORT OF WORK CAN BE CARRIED OUT?

- Extra sockets
- Troubleshooting
- Improved lighting
- Setting up equipment
- Door entry equipment
- Installing immersions
- Wired in smoke detectors
- Tidying trailing wires
- Security lighting
- Intercom systems
- Wiring in a cooker
- Adding extra phone sockets

The list is not exhaustive so please call us if you have a job in mind. We could also install and demonstrate how to use a new DVD, washing machine or other electrical equipment should you require.

## HOW MUCH DO WE CHARGE FOR THIS SERVICE?

From £25 but no more than £35 per hour, plus the cost of any materials bought on your behalf. We would discuss the costs with you before any work is started. If you think we can be of help or if you just wish to discuss your needs with us please get in touch.
